GRAYPEN LIMITED

Graypen Limited has been providing progressive but traditional tanker port agency services since 1969. With an unrivalled network of local and partner agents we have offices at all major UK Ports as well as Rotterdam, Amsterdam and Antwerp. We can even take care of your business on a Global scale via our Hub Agency Team. We are experienced in handling cargoes such as Oil Products (Crude, Clean, Dirty), Chemicals, Edible Oils, LPG and LNG.

We do what we do best where it counts at the ship side working in partnership with the Captain, crew, local port & terminal operators and a supporting cast of many third-party suppliers.

We currently handle over 10,000 port call movements each year and we are the UK's largest independent Port Agent. We believe that shipping is about people and that relationships are central to understanding and delivering upon expectation. We understand the importance of technology to deliver our service, but we never forget to connect with our customers face to face. We welcome the opportunity for clients old and new to visit our offices, attend our events and get to know us.

GP LOGISTICS LIMITED

GP Logistics is part of the successful Graypen Group of companies (Est. 1969) which has a strong track record for providing quality professional port services.

Established in 2003 GP Logistics with our group of experienced customs specialists can assist with import and export arrangements as well as arrange for the payment of applicable customs duties

With 3 key operations offices located in the UK (Newport, West Midlands and Bristol), the GP Logistics Operations teams are linked to 25 offices located around the United Kingdom with further offices in Rotterdam, Amsterdam and Antwerp, holding full ISO 9001:2015 quality accreditation.

Operations staff are all specialists in their field and the close liaison with GP Shipping and Graypen, port operators and service providers mean that we can give you the service you need. EDI links with HMRC are an important part of the service and with staff on call throughout, we know you will be impressed with our service. We are continually adding new ports to our ever-growing portfolio.

Professional and Reliable since 1996

BMA was formed in 1996 to meet the demand from a range of companies and with staff who have over 40 years of maritime experience, we are now a leading provider of these specialised services.

We pride ourselves in delivering a personal, reliable and professional service in the UK and over 30 other countries. Through associate offices in Belize, Pakistan and Taiwan, as well as an established network of associates we are well placed to provide a comprehensive range of global marine services, whilst maintaining a strong sense of integrity, confidentiality and personal service.

We opened our office in Southampton in 2016 to further expand our services to include port consultancy in order to assist our clients with their shipping logistics requirements. We also work to develop their various port related projects.

We are currently active with molasses, vegoil, steel, fertiliser, grain, wood pulp, salt and project cargo surveys as well as a growing bunker survey division.

In conjunction with our commercial partners we also provide a range of marine services such as hull cleaning, propeller polishing, IWS for class and in water ship repairs. Hold and tank cleaning services and mobile sweeping gangs for molasses and palm oils. Salvage support services.

Harvest are a Penarth based shipbroking company established for 25 years. We have extensive experience handling most dry bulk cargoes from raw materials to finished products, Fertilisers and Agricultural products. Benefiting from the support of the other Group Companies we can assist in providing a seamless logistics solution whatever commodity it is you are seeking to transport either as one-off shipments, projects or contracts of affreightment.

Harvest also provides ship agency services from its two agency offices. The first is located in East Anglia, serving the ports of Ipswich, Harwich, Felixstowe, Mistley and the River Thames. Our second office is situated in South Wales and serves the Bristol Channel ports of Swansea, Port Talbot, Cardiff, Newport and Bristol. Harvest delivers traditional dry cargo agency services where it counts, at the ship side, working in partnership with the Captain, crew, local port and terminal operators and a supporting cast of many third-party trusted suppliers.
